# Author Correction: Chronic wounds treated with cold atmospheric plasmajet versus best practice wound dressings: a multicenter, randomized, non-inferiority trial

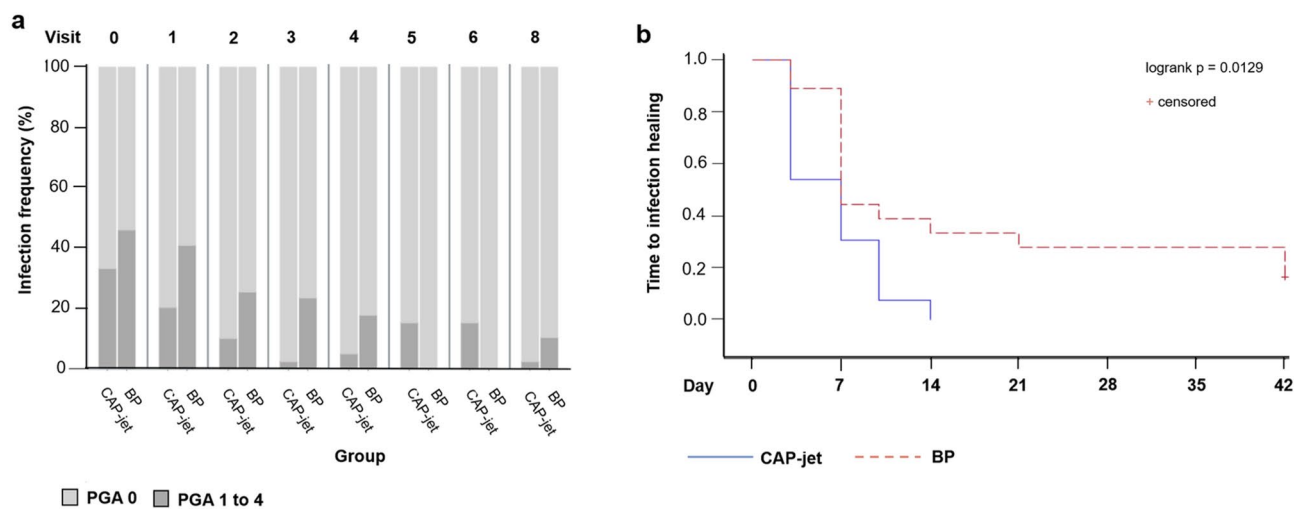

R. Strohal, S. Dietrich, M. Mittlböck & G. Hämmerle

Correction to: *Scientific reports* <https://doi.org/10.1038/s41598-022-07333-x>, published online 07 March 2022

The original version of this Article contained errors in Figure 4, where the results of the bars in visit 5 and visit 6 were swapped. The original Figure 4 and accompanying legend appear below.

The original Article has been corrected.

Published online: 25 April 2022

**Figure 4.** (a) Frequency of infection; (b) time to infection healing. (a) The newly emerged infection in CAP-jet group at v 8 was not imputed; in the BP group, one value at v 3 of one patient is missing, furthermore, the values of the patient who was transferred to another hospital after v 6 are missing in v 7 and v 8. Healed patients are considered as no infection.
