# Author Correction: Effects of ultrasonic-assisted nickel pretreatment method on electroless copper plating over graphene

Qingyan Peng, Xiaodong Tan, Mohanapriya Venkataraman, Jiri Militky, Wei Xiong, Arunjunai Raj Mahendran, Herfried Lammer & Pavel Kejzlar

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-022-25457-y>, published online 07 December 2022

In the original version of this Article, Wei Xiong was incorrectly listed as a corresponding author. The correct corresponding authors for this Article are Qingyan Peng and Mohanapriya Venkataraman. Correspondence and request for materials should be addressed to [qingyan.peng@tul.cz](mailto:qingyan.peng@tul.cz) or [mohanapriya.venkataraman@tul.cz](mailto:mohanapriya.venkataraman@tul.cz)

Additionally, the order of the author names was incorrectly given as Qingyan Peng, Wei Xiong, Xiaodong Tan, Mohanapriya Venkataraman, Arunjunai Raj Mahendran, Herfried Lammer, Pavel Kejzlar & Jiri Militky.

Furthermore, the Author Contributions statement now reads:

“Conceptualization, Q.P., W.X., M.V.; data curation, Q.P., X.T., A.R.M., H.L.; formal analysis, Q.P., W.X.; resources, M.V., P.K.; software, Q.P., W.X., M.V. and X.T.; writing-original draft, Q.P. W.X. and X.T.; writing-review and editing, W.X., M.V., J.M. All authors reviewed the manuscript. All co-authors agree to publish the manuscript.”

Lastly, the Acknowledgements section contained an erroneous project grant number. The Acknowledgements now read:

“The work was supported by the project ‘Advanced structures for thermal insulation in extreme conditions’ (Reg. No. 21-32510 M) granted by the Czech Science Foundation (GACR). The authors also gratefully acknowledge Dr. Martin Stuchlík, Dr. Kaslik Josef for assistance in this work.”

The original Article has been corrected.
