Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-023-29034-9>, published online 01 February 2023

The Supplementary Information file published with this Article contained an error. The Supplementary Information file did not include information specifying what was the patient treatment allocation: the alternate day group or the daily dose group. The original Supplementary Information file is provided below.

This error has now been corrected in the Supplementary Information file that accompanies the original Article.
