## **OPEN** Publisher Correction: Antigenic drift and epidemiological severity of seasonal influenza in Canada

Zishu Chen, Christina Bancej, Liza Lee & David Champredon

Correction to: Scientific Reports https://doi.org/10.1038/s41598-022-19996-7, published online 17 September 2022

The original version of this Article contained an error in the Methods, under the subheading 'Severity index', where the equation for the severity index S was a duplicate of the linear regression stated under the subheading 'Statistical analysis'.

As a result, under the subheading 'Severity index',

$$S \sim \beta_{\{1\}} * a + \beta_{\{2\}} * v + \beta_{\{3\}} * a * v$$

now reads:

$$S = (P + H + D + R)/n,$$

The original Article has been corrected.
