Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-023-28185-z>, published online 17 January 2023

The Supplementary Information published with this Article contained errors. Due to errors in the assembly of the original immunoblot image, the bands labelled as Figure 3A p-TOP2 β , Figure 4H p-CHK2, and Figure 6C ACTIN do not match precisely with the corresponding bands in the main manuscript. The original Supplementary Information files are provided below.

These errors have now been corrected in the Supplementary Information that accompanies the original Article.
