Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-023-30081-5>, published online 27 February 2023

Since the publication of this work, Skye Alexandre Sauriol has changed their name from Alexandre Sauriol.

As a result, in the Author contribution statement the first sentence now reads:

“S.A.S. designed the in vitro and in vivo experiments, collected, analysed and interpreted the data, and drafted and revised the manuscript and figures.”

Additionally, Reference 26 has been corrected. It now reads:

Sauriol, S.A. *et al.* Modeling the diversity of epithelial ovarian cancer through ten novel well characterized cell lines covering multiple subtypes of the disease. *Cancers* **12**(8), 2222 (2020).
