Correction: 'Is climate science taking over the science?': A corpus-based study of competing stances on *bias*, *dogma* and *expertise* in the blogosphere

Luis Pérez-González 

Correction to: *Humanities and Social Sciences Communications* <https://doi.org/10.1057/s41599-020-00582-z>, published online 15 September 2020

The original version of this paper included a mistakes in the reference list.

The incorrect references read:

Tagney P (2017) *Climate adaptation policy and evidence: understanding the tensions between politics and expertise in public policy*. Routledge-Earthscan, London

Tagney P (2019a) Between conflation and denial—the politics of climate expertise in Australia. *Aust J Political Sci* 54(1):131–149

Tagney P (2019b) Does risk-based decision-making present an 'epistemic trap' for climate change policymaking? *Evid Policy*. <https://doi.org/10.1332/174426419X1557747600211>

The correct references should read:
