Retraction Note: A conversational analysis of aging in China from a cross-section of the labour market: a corpus-based study

Yonghe Xiao & Jingxuan Li

Retraction to: *Humanities and Social Sciences Communications* <https://doi.org/10.1057/s41599-022-01387-y>, published online 17 October 2022.

The Chief Editor has retracted this article because an investigation by the publisher found evidence of attempts to subvert the peer review process. The authors did not respond to any correspondence from the Editor about this retraction.
