In the original published version of this Article, incorrect numbers were inserted in the text and Table 3. In particular the number for methane emissions 3.0×10^{-8} Tg/a should have been 3.0×10^{-6} Tg/a, and for groundwater pumping 4.67×10^7 L/a should have been 4.27×10^9 L/a. This has now been corrected in the PDF and HTML versions of the Article.
