In the original version of this Article, the legend to Fig. 1c, d inadvertently missed “0” after “13” and incorrectly read “SST is averaged over the region 110°E–13°E and 15°S–5°S”. The correct version reads “SST is averaged over the region 110°E–130°E and 15°S–5°S”.

This has now been corrected in both the PDF and HTML versions of the Article.
