Correction to: *Nature Sustainability* <https://doi.org/10.1038/s41893-018-0062-8>, published online 15 May 2018.

In the version of this Article originally published, in the Methods subsection ‘Agricultural production, pests and disease’, the incorrect mirid bugs were referred to in the following sentence:

‘We recorded the number of healthy and diseased cocoa pods and categorised diseased pods according to whether they had black pod (*Phytophthora* sp.) or other diseases (mostly mirid bugs *Heleopeltis* sp.).’

This sentence should have been: ‘We recorded the number of healthy and diseased cocoa pods and categorised diseased pods according to whether they had black pod (*Phytophthora* sp.) or other diseases (mostly mirid bugs *Sahlbergella singularis* and *Distantiella theobroma*).’

This has now been amended.
