

Author Correction: Mapping the forest disturbance regimes of Europe

Cornelius Senf  and Rupert Seidl 

Correction to: *Nature Sustainability* <https://doi.org/10.1038/s41893-020-00609-y>, published online 14 September 2020.

In the version of this Analysis originally published, there was an error in the code used to validate the disturbance maps; some 'NA' values were coded as '0' which led to errors in the values in Supplementary Table 2.

In the Supplementary Information, Supplementary Table 2 was replaced with all values corrected. Additionally, in the first paragraph of the Results subsection 'Disturbance maps', the values for map accuracy ' $92.5 \pm 2.1\%$ ', commission error ' $14.6 \pm 1.8\%$ ' and omission error ' $32.8 \pm 0.3\%$ ' were corrected to ' $87.6 \pm 0.5\%$ ', ' $17.1 \pm 1.6\%$ ' and ' $36.9 \pm 0.02\%$ ', respectively.

This error does not affect the conclusions or interpretations of the paper; the resultant maps are not affected by this issue, nor are any of the following analyses of the disturbance regime. Rerunning the code reproduced all other results as expected.
