

Publisher Correction: A universal principle for a rational design of single-atom electrocatalysts

Haoxiang Xu, Daojian Cheng , Dapeng Cao  and Xiao Cheng Zeng 

Correction to: *Nature Catalysis* <https://doi.org/10.1038/s41929-018-0063-z>, published 30 April 2018.

The original Supplementary Information file published with this Article was an older version; it was missing several Tables, and the Methods section was a duplicate of that from the main article. A new Supplementary Information file has been uploaded with these issues corrected.
