Publisher Correction: Dual-catalytic transition metal systems for functionalization of unreactive sites of molecules

Dawid Lichosy[†], Yang Zhang, Karolina Hurej and Paweł Dydio[†]

Correction to: *Nature Catalysis* <https://doi.org/10.1038/s41929-018-0207-1>, published online 7 January 2019.

In the version of this Article originally published, some compounds in Fig. 4 had incorrect footnote notation: for **5b** 47%^{a,b} should be 47%^{ab}; for **6w** 65%^{†††} should be 65%^{cdf}; for **6x** 50%^{†††} should be 50%^{cdf} and for **6y** 59%^{†††} should be 59%^{cdf}. Furthermore, in Fig. 2b, for the arylation reaction the text read “H-Base+ X-” but should be H-Base⁺X⁻; in Fig. 3d, the reaction arrow was labelled “Dioxane-d₈” but should be Dioxane-d₈; and in Fig. 1c there was an extraneous horizontal line at top right. All these errors have now been amended.
