

Publisher Correction: Bridging homogeneous and heterogeneous catalysis by heterogeneous single-metal-site catalysts

Correction to: *Nature Catalysis* <https://doi.org/10.1038/s41929-018-0090-9>, published online 12 June 2018.

In the version of this Review originally published, the titles of Table 1 and Table 3 were mistakenly swapped. The title for Table 1 should be “Single Pt site catalysed selective hydrosilylation of various olefins”, and the title for Table 3 should be “Synthesis and applications of single-metal-site catalysts”. These errors have now been amended.
