Correction to: *Nature Catalysis* <https://doi.org/10.1038/s41929-020-0462-9>, published online 1 June 2020.

In the version of this Article originally published, the superscript numbers in equation (1) were incorrectly written as subscript numbers. The correct equation is:  $d[\text{product}]/dt = k[15]^1[16]^0[B1]^0$ . This has been corrected in the online versions of this Article.
