Publisher Correction: Structural and chemical biology of deacetylases for carbohydrates, proteins, small molecules and histones

Marco Bürger¹ & Joanne Chory^{1,2}

Correction to: *Communications Biology* <https://doi.org/10.1038/s42003-018-0214-4>; Published online 05 December 2018

In the original published version of the article, the protein name for the carbohydrate deacetylase in *Geobacillus stearothermophilus* was missing from Table 1. The protein name, Axe2 (corresponding to PDB code 3W7V), should have appeared immediately following the species name. In addition, a space was inadvertently omitted between *Xanthomonas campestris* and ACDase in Table 1. The errors have been corrected in the HTML and PDF versions.
