Author Correction: Sequence specificity analysis of the SETD2 protein lysine methyltransferase and discovery of a SETD2 super-substrate

Maren Kirstin Schuhmacher, Serap Beldar, Mina S. Khella, Alexander Bröhm, Jan Ludwig, Wolfram Tempel, Sara Weirich, Jinrong Min & Albert Jeltsch 

Correction to: *Communications Biology* <https://doi.org/10.1038/s42003-020-01223-6>, published online 16 September 2020.

In the originally published version of the Article, equations 2 and 3 were incorrectly given as follows [equation 2: $v = \frac{v_{\max}}{c_s + K_M}$; equation 3: $v = \frac{v_{\max}}{c_s + K_M(1 + \frac{c_i}{K_I})}$]. The correct equations are [equation 2: $v = \frac{v_{\max} c_s}{c_s + K_M}$; equation 3: $v = \frac{v_{\max} c_s}{c_s + K_M(1 + \frac{c_i}{K_I})}$]. All analyses were conducted with the correct equations. The errors have been corrected in the HTML and PDF versions of the Article.
