Correction to: *Communications Biology* <https://doi.org/10.1038/s42003-020-01205-8>, published online 14 September 2020.

In the original version of the Article ‘The origin of Rhinoceroidea and phylogeny of Ceratomorpha (Mammalia, Perissodactyla)’, the authors had used the generic name *Gobioceras* for a late Early Eocene rhinocerotoid. Authors are now aware that this name has been preoccupied by *Gobioceras* Bogoslovskaya, 1988<sup>1</sup>, a Permian ammonoid. A new generic name *Gobicerops* nom. nov. is proposed to replace *Gobioceras* Bai et al. 2020. We thank Mr. Mo Hassan for bringing this issue to our attention.
