Correction to: Communications Biology https://doi.org/10.1038/s42003-021-01660-x, published online 20 January 2021.

In the original Correction relating to the Article 'The origin of Rhinocerotoidea and phylogeny of Ceratomorpha (Mammalia, Perissodactyla)', we stated that 'authors had used the generic name *Gobioceras* for a late Early Eocene rhinocerotoid. Authors are now aware that this name has been preoccupied by Gobioceras Bogoslovskaya, 1988¹, a Permian ammonoid. A new generic name Gobicerops nom. nov. is proposed to replace Gobioceras Bai et al. 2020'.

This has been corrected to 'authors had used the generic name *Gobioceras* for a late Early Eocene rhinocerotoid. Authors are now aware that this name has been preoccupied by *Gobioceras* Bogoslovskaya, 1988¹, a Permian ammonoid. A new generic name *Gobioceras* nom. nov. is proposed to replace *Gobioceras* Bai et al. 2020'.
