Correction to: *Communications Biology* <https://doi.org/10.1038/s42003-020-01596-8>, published online 19 January 2021.

In the original published version of the Article, in the “Introduction” section, (page 2, first column, fourth line from bottom), the full form of MBP is given as “myelin basic protein”. The correct full form of MBP however should be “maltose binding protein”. The error has been corrected in the PDF and HTML versions of the Article.
