Correction to: *Communications Biology* <https://doi.org/10.1038/s42003-022-03670-9>, published online 25 August 2022.

In the original Article the doi was missing in the sentence: REPLYING TO N. Harrison *Communications Biology Matters* arising [doi to be added later] 2022.

This has now been corrected to read REPLYING TO N. L. Harrison *Communications Biology* <https://doi.org/10.1038/s42003-022-03669-2> (2022) in both the PDF and HTML versions of the Article.
