Correction to: *Communications Biology* <https://doi.org/10.1038/s42003-024-06142-4>, published online 18 April 2024

The original version of the article, the order of the given name and family name of the first author, Li Feng, is inverted, appearing as ‘Feng Li’ in the online version. The correct name for the first author should be “Li, Feng”, instead. This has now been corrected in the PDF and HTML versions of the Article.
