Publisher Correction: Dual wettability on diarylethene microcrystalline surface mimicking a termite wing

Ryo Nishimura ¹, Kengo Hyodo¹, Hiroyuki Mayama ², Satoshi Yokojima^{3,4}, Shinichiro Nakamura ⁴ & Kingo Uchida ^{1,4}

Correction to: *Communications Chemistry* <https://doi.org/10.1038/s42004-019-0192-6>, published online 06 August 2019.

The original version of this Article omitted the Supplementary Information file and also contained an error in the author affiliations. Affiliation 2 incorrectly read “Department of Chemistry, Asahikawa Medical University, 2-1-1-1 Midorigaoka-higashi 2 zyo, Asahikawa, Hokkaido 078-8510, Japan”. It should read “Department of Chemistry, Asahikawa Medical University, 2-1-1-1 Midorigaoka-higashi, Asahikawa, Hokkaido 078-8510, Japan”. Both errors have now been corrected in the PDF and HTML versions of the Article.
