Author Correction: *In operando* NMR investigations of the aqueous electrolyte chemistry during electrolytic CO₂ reduction

Check for updates

Sven Jovanovic , Peter Jakes, Steffen Merz, Davis Thomas Daniel, Rüdiger-A. Eichel & Josef Granwehr

Correction to: *Communications Chemistry* <https://doi.org/10.1038/s42004-023-01065-3>, published online 6 December 2023

The original version of this Article contained errors in the Data availability statement, which incorrectly read ‘All data reported in this work are available from the authors by request. Please refer to the corresponding author Sven Jovanovic (s.jovanovic@fz-juelich.de).’ The correct version states ‘NMR data are available for download at <https://doi.org/10.26165/JUELICH-DATA/0GQJFC>. Other data are available from the authors upon request.’ This has now been corrected in both the PDF and HTML versions of the Article.
