Correction to: *Communications Physics* <https://doi.org/10.1038/s42005-018-0100-x>, published online 8 January 2019.

The original version of this article contained an erroneous citation to Fig. 1b in the third paragraph of subsection “Determination of the coherent transport regimes”. The original version of the sentence “...as sketched in Fig. 1b” should have been “...as sketched in Fig. 1a”.

Also, in Fig. 3d the two points marked by arrows in the x -axis have been erroneously labelled as “c” and “d”. The correct labelling is “b” and “c”.

These errors have been corrected in both the PDF and HTML versions of the article.
