Author Correction: Synchronization in networked systems with large parameter heterogeneity

Amirhossein Nazerian , Shirin Panahi & Francesco Sorrentino 

Correction to: *Communications Physics* <https://doi.org/10.1038/s42005-023-01355-1>, published online 16 September 2023.

A few incorrect expressions were erroneously published in the original version of the manuscript. There have now been corrected in both the HTML and PDF version.

Page 2, second paragraph of the introduction: in the second item point “(ii) Acharyya and Amriktar^{26,27} generalized the approach” the word “generalized” has been substituted with “extended”, and the sentence now reads “(ii) Acharyya and Amriktar^{26,27} extended the approach”.

Page 2, third paragraph of the introduction: the text in the brackets, “(instead of a single eigenvalue)” has been changed to “(instead of individual eigenvalues)”.

Page 3, just above Equation 4a, the “and” has been removed and the pronoun “we” has been added to correct the English sentence, so that the sentence “...on the right by $(V \otimes I)$ and obtain” now reads “...on the right by $(V \otimes I)$, we obtain”.
