The following changes have been made to the original article: in the lower-right panel of Fig. 1, opoelectrics has been corrected to optoelectronics; in the Box 1 footnote, rotating wave-approximation has been corrected to rotating-wave approximation; in equation B1.3, an operator symbol has been added to the last term; and in the third paragraph of Box 2, $|j\rangle \rightarrow |n\rangle$ was changed to $|jj\rangle \rightarrow |n\rangle$. This has been corrected in the HTML and PDF versions of the article.
