
Publisher Correction: Deuterium experiments reveal conditions in the early Universe

Zoe Budrikis

Correction to: *Nature Reviews* (2020) <https://doi.org/10.1038/s42254-020-00260-8>, published online 13 November 2020.

The originally published article incorrectly reported the title of the referenced paper. The correct reference is: Mossa, V. *et al.* The baryon density of the Universe from an improved rate of deuterium burning. *Nature* **587**, 210–213 (2020).
