Correction to: *Nature Metabolism* <https://doi.org/10.1038/s42255-019-0126-8>, published online 14 October 2019.

In the version of this article initially published, in ‘Measurements of mitochondrial Ca²⁺ influx’ in the Online Methods section, the description of the uAB solution did not include MgCl₂ but should have listed 1 mM MgCl₂. The error has been corrected in the HTML and PDF versions of the article.
