Author Correction: Skeletal muscle energy metabolism during exercise

Mark Hargreaves and Lawrence L. Spriet

Correction to: *Nature Metabolism* <https://doi.org/10.1038/s42255-020-0251-4>, published online 3 August 2020.

In Box 1, two reactions have been revised from those in the version of this article initially published. The reaction ‘ATP + H₂O → ADP + P_i + energy’ has been revised to ‘ATP + H₂O → ADP + P_i + H⁺ (ΔG°' = -6.3 kcal mol⁻¹)’. The reaction ‘Glycogen + 3 ADP → 2 lactate + 2 H⁺ + 3 ATP’ has been revised to ‘Glycogen_n + 3 ADP + 3 P_i → glycogen_{n-1} + 2 lactate + 3 ATP’. Footnotes have been added to Box 1 to provide further explanation. The errors have been corrected in the HTML and PDF versions of the article.
