Publisher Correction: Pandemic data challenges

Correction to: *Nature Machine Intelligence* https://doi.org/10.1038/s42256-020-0172-7, published online 8 April 2020.

An earlier version of this Editorial provided inaccurate information about the accessibility of COVID-19 related content provided by Springer Nature. Springer Nature is making all COVID-19 related content free to access. This Editorial has been corrected to reflect this.
