Correction to: *Nature Food* <https://doi.org/10.1038/s43016-021-00417-3>, published online 16 December 2021.

In the version of this article initially published, there was an error in Table 1. In the third column, the relative % decline of cropland in the 5-km sample group should read “–22.9%”, correcting the earlier “–17.0%.” The error was in the presentation of the table and does not affect the results or conclusions in the paper.
