## Publisher Correction: Mining wastewater for hydrogen

Yanhua Chen

Correction to: *Nature Reviews Earth & Environment* <https://doi.org/10.1038/s43017-022-00333-5>, published online 5 August 2022.

In the version of the article initially published, there was a typographical error in the third sentence of the second paragraph, now reading “Potential H<sub>2</sub> energy generation for an average industrial wastewater site was on the order of 10<sup>12</sup> KWh yr<sup>-1</sup>,” where 10<sup>12</sup> appeared originally as “1,012.” The error has been corrected in the HTML and PDF versions of the article.
