Publisher Correction: Cancer's new normal

Elie Dolgin

Correction to: *Nature Cancer* <https://doi.org/10.1038/s43018-021-00304-7>, published online 21 December 2021.

In the version of this News Feature initially published, the description of a wellbeing survey among oncology professionals neglected to state that the survey was conducted globally and that it was led by the European Society for Medical Oncology and presented by Jonathan Lim on behalf of the ESMO Resilience Task Force. The amendments have been made to the HTML and PDF versions of the article.
