Correction to: *Nature Cancer* <https://doi.org/10.1038/s43018-020-00122-3>, published online 2 October 2020.

In the version of this article initially published, there was an error in Table 3. In the row for Oseltamivir, in the fifth column “Antitumor effect in vivo,” the text now reading “Pro-tumorigenic effects in mice: Increased aggressiveness of canine mammary tumor xenografts²⁷⁶” initially appeared as “In canines and mice: Increase mammary tumor aggressiveness²⁷⁶.” The change has been made to the HTML and PDF versions of the article.
