# Publisher Correction: Imaging switchable magnetoelectric quadrupole domains via nonreciprocal linear dichroism

Kenta Kimura, Tsukasa Katsuyoshi, Yuya Sawada, Shojiro Kimura & Tsuyoshi Kimura 

Correction to: *Communications Materials* <https://doi.org/10.1038/s43246-020-0040-3>, published online 9 July 2020.

An error was introduced into one sentence of this Article during typesetting.

“After the submission of this paper, Sato et al.<sup>44</sup> reported magnetochiral dichroism in an antiferromagnet  $\text{MnTiO}_3$ , which is related to OME effects and whose magnitude reaches  $10^{-3}$  in the visible light region” has now been replaced with “After the submission of this paper, Sato et al.<sup>44</sup> reported magnetochiral dichroism in an antiferromagnet  $\text{MnTiO}_3$ , which is related to OME effects and whose magnitude reaches  $10^{-3}$  in the visible light region”.

This error has been corrected in both the HTML and PDF versions of the Article.
