Correction to: *Communications Materials* <https://doi.org/10.1038/s43246-023-00422-y>, published online 11 November 2023

In the Acknowledgements section, the funding information for University of Michigan and University of Science and Technology of China should have been given as “The work at the University of Michigan is supported by the National Science Foundation under Award No. DMR1707620 and No. DMR-2004288 (transport measurements), by the Department of Energy under Award No. DE-SC0020184 (magnetization measurements) to Kuan-Wen Chen, Dechen Zhang, Guoxin Zheng, Aaron Chan, Yuan Zhu, Kaila Jenkins, and Lu Li. The work at the University of Science and Technology of China is supported by the National Natural Science Foundation of China under Grant No. 11888101” instead “This work is supported by the National Science Foundation under Award No. DMR1707620 and No. DMR-2004288 (transport measurements), by the Department of Energy under Award No. DE-SC0020184 (magnetization measurements), by the National Natural Science Foundation of China under Grant No. 11888101.”. The original article has been corrected.
