Correction to: *Communications Earth & Environment* <https://doi.org/10.1038/s43247-022-00364-2>, published online 25 February 2022.

The title of the original version of this Article was previously incorrectly given as 'COMMSENV-21-0437 Davis et al. Response to Matters Arising'. The correct title is 'Reply to: 'Global predictions of coral reef dissolution in the Anthropocene'' in place of 'COMMSENV-21-0437 Davis et al. Response to Matters Arising'. This has been corrected in both the PDF and HTML versions of the Article.
