Author Correction: Astronomical forcing shaped the timing of early Pleistocene glacial cycles

Yasuto Watanabe, Ayako Abe-Ouchi , Fuyuki Saito , Kanon Kino , Ryouta O'ishi , Takashi Ito , Kenji Kawamura  & Wing-Le Chan 

Correction to: *Communications Earth and Environment* <https://doi.org/10.1038/s43247-023-00765-x>, published online 15 May 2023.

The original version of this Article contained an error in Ref. 70, which was incorrectly given with the published year as: Köhler, P. Atmospheric CO₂ concentration based on boron isotopes versus simulations of the global carbon cycle during the Plio-Pleistocene. *Paleoceanog. Paleoclimatology* 38, e2022PA004439 (2022). The correct form of Ref. 70 is: Köhler, P. Atmospheric CO₂ concentration based on boron isotopes versus simulations of the global carbon cycle during the Plio-Pleistocene. *Paleoceanog. Paleoclimatology* 38, e2022PA004439 (2023).

This has been corrected in the PDF and HTML versions of the Article.
