Correction to: *Nature Cardiovascular Research* <https://doi.org/10.1038/s44161-022-00018-8>, published online 17 February 2022.

In the version of this article initially published, there were errors in Figure 1. In Fig. 1f, due to a production error, the large panels for *Ap4e1*^{-/-} mutant and control were interchanged and have been restored. In Fig. 1d, due to a submission error, large and small panels for *Leprotil1*^{-/-} mutant and control were incorrect, and the smaller Fig. 1e *Alpk3*^{-/-} control panel was also provided in error. The images have been replaced in the HTML and PDF versions of the article, and original and revised versions of Fig. 1d–f are shown below.
