Correction to: *Nature Cardiovascular Research* <https://doi.org/10.1038/s44161-022-00064-2>, published online 16 May 2022.

In the version of this article initially published, there were errors in Fig. 4, panels c,e,m, where the labels of the two rows were transposed. The figure has been corrected so that “Rabbit IgG” appears on the top row and “Sdc2 pAb” appears at bottom. The changes have been made to the HTML and PDF versions of the article.
