Correction to: *npj Ocean Sustainability* <https://doi.org/10.1038/s44183-023-00040-8>, published online 23 January 2024

In this article the main text in the ‘Data Availability’ section (page 9) was wrongly given as Global STAR_T scores at a grid cell resolution of 50 × 50 km are available in TIFF file format as Supplementary Data; it should have been ‘Global STAR_T scores at a grid cell resolution of 50 × 50 km are available in TIFF file format on Zenodo <https://zenodo.org/records/10641700>.’ The original article has been corrected.
