Publisher Correction: Using smartphones to optimise and scale-up the assessment of model-based planning

Kelly R. Donegan , Vanessa M. Brown, Rebecca B. Price, Eoghan Gallagher, Andrew Pringle, Anna K. Hanlon & Claire M. Gillan 

Correction to: *Communications Psychology* <https://doi.org/10.1038/s44271-023-00031-y>, published online 01 November 2023.

The original version of this Article contained an error in Fig. 3, panel e, in which the asterisks that signify significance for the conditions “Eating Disorder” and “Impulsivity” were replaced by exclamation marks. The original version of the Article also contained an error in Fig 5, panel c.ii in which the x-axis and the label “women” were shifted upward and out of line with the rest of the axis and labels where the binned trials that show the model-based association with gender are displayed. The original article has been corrected.
