Correction to: *Communications Psychology* <https://doi.org/10.1038/s44271-024-00063-y>, published online 28 February 2024

In this article the graphs in Figure 3 showing the top 20% of the connectivity patterns, i.e., those in panels Figure 3a (CV 1, attention problems) and Figure 3b (CV2, aggression, rule-breaking) were inadvertently swapped. The original article has been corrected.
