

INDEX

(A) indicates an abstract from a paper read at a meeting.

- Amyloidosis, 71, 131
Anal sphincter, 277
Anatomy, of bladder-function, 175 (A)
of blood vessels of the cord, 175 (A)
- Baccialone, L., Cukier, J., and Maury, M.
A few aspects of vesico ureteric reflux
in paraplegia, 182 (A)
- Band, D. Genito-urinary aspects of early
management of spinal injuries, 177 (A)
- Barthes, G., Buzacoux, J., Grossiord, A.,
and Maury, M. Studies on motor
metamerisation of the upper and lower
limbs, 81
- Bedbrook, G. M. Some pertinent observa-
tions of traumatic spinal paralysis, 215
- Begzadlan-Katchatrian and Grossiord, A.
Film demonstration of training of spina
bifida children, 195 (A)
- Bénassy, J. Segmental innervation of the
limbs, 70 (A)
- Bladder-function, Physiology of, 175 (A)
- Blood vessels of cord, 175 (A)
- Bors, E. Decubitus ulcer of the heel.
Report of two cases requiring partial
resection of the os calcis, 48
Phantom limbs, 175 (A)
Urinary bladder function, 175 (A)
Sexual function, 178 (A)
- Bouzacoux, J. *See* Barthes, G., 81
- Buchan, A. C. Pressure sores, 177 (A)
- Cain, H. D., Kelly, R. E., Liebgold, H., and
Mead, S. Periarticular calcification in
paraplegics. Attempted treatment with
Disodium edetate, 62
- Calcification, periarticular, 62
- Cardiovascular responses, 4
- Catecholamine levels, 4
- Causes of death, 19
- Cheshire, D. J. E. Respiratory management
in acute traumatic paraplegia, 252
- Clarkson, D. C., and Maling, R. G. Elec-
tronic controls for the paraplegic
(Possum) (patient-operated selector
mechanisms, P.O.S.M.), 161
- Colley, E. W., and Frankel, H. L. Peni-
cillin G in urinary tract infections,
200 (A)
- Colon, pelvic, motility of, 98
- Comarr, A. E. An interesting decubitus
ulcer closure, 271
- Connell, A. M., Frankel, H., and Guttman,
L. The motility of the pelvic colon
following complete lesions of the spinal
cord, 98
- Cosbie Ross, J. Management of the para-
lysed bladder, 177 (A)
Surgical treatment of hydronephrosis in
paraplegia, 137
Vesico-ureteric reflux, 185 (A)
- Cukier, J. *See* Baccialone, L., 182 (A)
- Damanski, M. Stone disease in paraplegia,
75 (A), 149
Vesico-ureteral reflux in paraplegia,
186 (A)
- Decubitus ulcer, closure, 271
of heel, 48
- Deep venous thrombosis, 116
- Disodium edetate, 62
- Doggart, J. R., and Silver, J. R. Renal
function studies in paraplegic patients,
202 (A)
- Early treatment of traumatic paraplegia,
176-178 (A), 201 (A), 233
- Effect of tilting, 4
- Electronic controls, 78 (A), 161, 129 (A)
- Enterocystoplasty, 55
- Frankel, H. L. *See* Colley, E. W., 200
See Connell, A. M., 98
- Grégoire, P. E., Houssa, P., and Tricot, A.
Metabolic changes in paraplegia, 76 (A)
