

INDEX

VOLUME 2

- Agerholme, M. *Discussion*, 190
Wheelchair: Design and manufacture. *Discussion*, 58
Wheelchair. *Discussion*, 52
- Arterial blood supply of the human spinal cord, 199
- Bardot, A. Myotomy of iliopsoas and obliquus externus abdominis. *Discussion*, 294
- Bickerstaff, J. H. Wheelchair: Design and manufacture. *Discussion*, 56, 58
- Bladder, control in the female paraplegic patient, 146
neurogenic, 125
- Bladder-neck resection in the paraplegic, 264
- Bors, E. Simple methods of examination in paraplegia, 17
See Nyquist, R. H.
- Bronchial aspiration through a tracheostomy, an alternative technique for, 141
- Brown, A. R. Paraplegia in New Zealand, 153
- Bunyan, J. Wheelchair: Design and manufacture. *Discussion*, 54, 58, 59
- Cardiovascular reflexes in tracheostomised tetraplegics, 227
- Cervical spine, management of patients with injury of, using Blackburn skull calipers and the Stryker turning frame, 278
- Cheshire, D. J. E. and Foster, K. M. An alternative technique for bronchial aspiration through a tracheostomy, 141
- Circulation, disturbance of, in traumatic paraplegia in acute and late stages, 213
- Circulatory reflexes in spinal man, 235
- Colley, E. W. and Frankel, H. L. Penicillin G—treatment of urinary infection in paraplegia, 132
- Comarr, A. E. Neurogenic bladder, 125
- Dalzell-Ward, A. J. Wheelchair: Design and manufacture. *Discussion*, 54-60
- Damanski, M. The paraplegic patient as a social problem, 169
Discussion, 190
See Gibbon, N. O. K.
- Denly, O. A. Wheelchair: The user's viewpoint, 42
Discussion, 51
- Dollfus, P. and Frankel, H. L. Cardiovascular reflexes in tracheostomised tetraplegics, 227
- Dunham, C. Employment from a wheelchair, 40
- Ergonomic principles in the use of wheelchairs, 36
- Evans, Mr. Wheelchair: Prescription and supply. *Discussion*, 69
- Factors influencing the specification of wheelchairs supplied by the Ministry of Health for the domestic use of invalids, 25
- Flack, H. Wheelchair: Prescription and supply. *Discussion*, 60
- Floyd, W. Ergonomic principles in the use of wheelchairs, 36
- Flying squad and the paraplegic unit, 15
- Foot spasticity, simple surgical procedures for relief of, 295
- Foster, K. M. *See* Cheshire, D. J. E.
- Frankel, H. *Discussion*, 232
See Colley, E. W.
See Dollfus, P.
- Gibbon, N. Bladder-neck resection. *Discussion*, 276, 277
- Gibbon, N. O. K., Ross, J. C. and Damanski, M. Bladder-neck resection in the paraplegic, 264
- Glees, P. and Meller, K. The finer structure of synapses and neurones, 77
- Gregg, T. M. and Wilmot, C. B. The flying squad and the paraplegic unit, 15
- Guthrie, D. Wheelchair: Prescription and supply. *Discussion*, 63
- Guttman, L. The married life of paraplegics and tetraplegics, 182
Blackburn skull calipers and the Stryker turning frame. *Discussion*, 286, 287
Bladder-neck resection. *Discussion*, 276
Relief of foot spasticity. *Discussion*, 297
Myotomy of iliopsoas and obliquus externus abdominis. *Discussion*, 294

- Wheelchair. *Discussion*, 49-70
 Wheelchair: Prescription and supply. *Discussion*, 64-70
Discussion, 189, 191, 232, 235, 261
- Haemodialysis, the use of, in renal failure complicating paraplegia, 254
- Hamilton, Lady. *Discussion*, 49
- Hardy, A. G. Resettlement problems of paraplegic mineworkers, 157
 Blackburn skull calipers and the Stryker turning frame. *Discussion*, 285, 287
 Bladder-neck resection. *Discussion*, 276, 277
 Myotomy of iliopsoas and obliquus externus abdominis. *Discussion*, 294
 Relief of foot spasticity. *Discussion*, 297
Discussion, 233, 235
- Harris, P. Blackburn skull calipers and the Stryker turning frame. *Discussion*, 285, 286
Discussion, 192, 233, 263
- Harris, P. and Wu, P. H. T. The management of patients with injury of the cervical spine using Blackburn skull calipers and the Stryker turning frame, 278
- Housing, special, for paraplegics, 178
- Hughes, J. T. The pathology of vascular disorders of the spinal cord, 207
 Vertebral artery insufficiency in acute cervical spine trauma, 2
- James, C. C. M. *See* Lassman, L. P.
- Jochem, K. A. Bladder-neck resection. *Discussion*, 276
- John, G. E. Wheelchair. *Discussion*, 53
- Jolly, D. W. Wheelchair: Ministry practice, 20
 Wheelchair: Prescription and supply. *Discussion*, 68
 Wheelchair. *Discussion*, 52, 53
- Jousse, A. T., MacDonald, Margaret and Wynn-Jones, Megan. Bladder control in the female paraplegic patient, 146
- Kennoway, S. Wheelchair. *Discussion*, 49, 51, 58
- Kerr, W. G. *Discussion*, 190
- Lassman, L. P. and James, C. C. M. Spina bifida cystica and occulta, 96
- Leeds, L. D. Wheelchair: Design and manufacture. *Discussion*, 57
- Lord, F. Wheelchair: Design and manufacture. *Discussion*, 59
- Louis, Mr. Wheelchair: Design and manufacture. *Discussion*, 57
- MacDonald, Margaret. *See* Jousse, A. T.
- MacKeith, R. The spastic and his wheelchair, 34
- McKenzie, Dr. Wheelchair. *Discussion*, 50
 Management of patients with injury of the cervical spine using Blackburn skull calipers and the Stryker turning frame, 278
- Married life of paraplegics and tetraplegics, 182
- Masse, P. Simple surgical procedures for relief of foot spasticity, 295
Discussion, 190
- Maury, M. The future of paraplegics. *Abstract*, 156
- Meinecke, F.-W. Social aspects of paraplegic coal-miners in Germany, 163
- Meller, K. *See* Gleys, P.
- Metastases, intramedullary spinal cord, 100
- Michaelis, L. S. Myotomy of iliopsoas and obliquus externus abdominis for severe spastic flexion contracture at the hip, 287
 Myotomy of iliopsoas and obliquus externus abdominis. *Discussion*, 294
Discussion, 191
- Milliard, J. B. Wheelchair: Prescription and supply. *Discussion*, 60, 68, 69
- Mitchell, G. The use of haemodialysis in renal failure complicating paraplegia, 254
Discussion, 261, 262, 263
- Myotomy of iliopsoas and obliquus externus abdominis for severe spastic flexion contracture at the hip, 287
- Neurogenic bladder, 125
- Nyquist, R. H. and Bors, E. Useful appliances in spastic patients, 120
- Paeslack, V. *Discussion*, 233, 235
- Paeslack, V., Roehal, F. and Winkel, K. zum. Radio-iodotope nephrographic studies in paraplegics, 246
- Paraplegia, in New Zealand, 153
 simple methods of examination in, 17
- Paraplegic coal-miners in Germany, social aspects of, 163
- Paraplegic patient, as a social problem, 169
- Paraplegics, and tetraplegics, the married life of, 182
 future of. *Abstract*, 156
 special housing for, 178
- Pathology of vascular disorders of the spinal cord, 207
- Penicillin G—treatment of urinary infection in paraplegia, 132
