The 2012 BDA Christmas lecture was delivered by Alastair Sloan, from the University of Cardiff, on the topic of 'Regenerative dentistry and stem cells: current thoughts and research'. The complimentary BDA Christmas lecture webcast is now available for BDA members to view via the BDA website at www.bda.org.

Christmas time, stem cells and wine

A chance for further discussion over mince pies after the lecture

Professor Sloan delivers his engaging talk to a full house at the BDA's lecture theatre
