WHY THE BDA BENEVOLENT FUND MATTERS

Many dentists are still in need of help and support and your donations to the BDA Benevolent Fund do make the world of difference. In the case of Dr M, whose life was put on hold for a year despite being acquitted by the General Dental Council

Health Committee, without the dedicated work of the BDA Benevolent Fund his situation could have been a lot worse.

Run by dentists for dentists, the Fund is dedicated to providing support in times of financial hardship to those that need it most.

After the Fund gave Dr M a loan to help with some of his debts and a monthly grant to contribute towards food, basic clothing, essential bills and mortgage payments, he was able to get back up on his feet. The BDA Benevolent Fund relies on your help to continue its work, to give a donation today visit www.bdabenevolentfund.org.uk.

If you are struggling, or know someone who is, contact the BDA Benevolent Fund today, call 020 7486 4994 or email administrator@dentistshelp.org.
