A daily oral deodorant

Young people leaving home for the first time face many challenges. With an active lifestyle and lots of new people to meet, they need the power and confidence of CB12.

CB12 products have been developed by dentists to offer easy-to-use, effective solutions to enhance oral health and prevent unpleasant breath.

The unique formula of CB12 mouth rinse does not mask oral malodour, but targets and neutralises foul smelling gases for long lasting confidence all day. Used as a daily oral deodorant, just one shot of CB12 provides breath confidence for up to 12 hours – ideal for busy students.

There is also sugar-free, dual action CB12 Boost chewing gum for further breath refreshment. It contains xylitol to reduce plaque and sodium fluoride to strengthen teeth and prevent cavities. CB12 Boost powers through bad breath inhibitions with a minty blast that will discreetly fit into any pocket.

Empower young patients with enhanced oral health and breath confidence. To request samples and literature contact CB12 today.

For more information about CB12 and how it could benefit your patients, visit www.cb12.co.uk.

Same technique, greater flexibility

ProTaper GOLD is the latest addition to the world famous ProTaper family developed by Dentsply Sirona Endodontics in collaboration with international endodontic key opinion leaders.

ProTaper GOLD is an upgrade from ProTaper Universal and is designed specifically for ProTaper Universal users who do not want to change their technique but would benefit from the increased safety delivered by the latest developments in metallurgy – GOLD proprietary processing.

ProTaper GOLD keeps the same philosophy as the first generation of ProTaper (file sequence, file sizes, motor settings, obturation methods) with strong additional benefits like increased flexibility (24% on average) and greater resistance to cyclic fatigue (2.6 times greater on an F3 finishing file).

The ProTaper GOLD file system is available now and will replace the current ProTaper Universal file system on 1 October 2016.

To find out more about ProTaper GOLD contact Dentsply Sirona on 0800 072 3313 or visit www.dentsply.com/en-uk.

Earn DENTSPLY Rewards £s on all your purchases at dentsplyrewards.co.uk and access free CPD webinars and product demonstrations at dentsplyacademy.co.uk.

Improve your business and earn loyalty rewards

Henry Schein Dental has launched their brand new Rewards programme – now available to all customers – that not only gives members points for every pound spent on almost all Henry Schein Dental and Software of Excellence products and services, but also shows Henry Schein's commitment to providing you with everything you need to run a successful and profitable practice.

As a member of Henry Schein's Rewards programme you can collect points every time you spend, and better still, you'll be able to take advantage of special offers and gain double or triple points to boost your total.

Managing your Rewards account is simple. Just visit the Rewards website hsrewards.co.uk and log in to check your

balance and watch as your points accumulate. You can set goals and collect points, so you can make savings on the products and services that matter to you most.

Rewards members also get special member previews, receive Early Bird discounts on upcoming Henry Schein and Software of Excellence events and, for a limited period, will get £100 off a Practice Analysis.

No other dental dealer offers such a flexible customer-focused loyalty programme, so now there are more reasons than ever to make Henry Schein Dental and Software of Excellence your dental solutions providers and gain points on every purchase.

Get your Rewards total rolling by applying today for free at hsdrewards.co.uk. All new successful applicants will automatically receive 1,000 bonus points.
